

## Precast Services, Inc. – Building a Better Travel Experience in New York

Precast Services, Inc. commenced work on the West Parking Garage that will provide LaGuardia Airport with 3,129 parking spaces. The seven level deck will also feature electric car charging stations and low-emissions preferred parking.

The comprehensive redesign of LaGuardia Airport involves transforming LaGuardia into a unified airport with a main terminal, better transportation access with a future air train, more taxiways and best-in-class passenger amenities.
